Dear All,

Superintendent Lyon would very much appreciate it if you could be available during the study session (part of the regular Board of Education meeting) addressing the environmental concerns in Malibu on Thursday, December 12, 2013, at 6:00pm. The meeting will be at Malibu City Hall in the city council chambers (23825 Stuart Ranch Road, Malibu, CA 90265 – first floor).

The agenda item reads:

This study session is designed to allow the Board of Education to be fully updated about the environmental concerns at Malibu High School and Juan Cabrillo Elementary School. The board will be given an overview of the preliminary work done to date, including preliminary test results, as well as hear recommendations for a plan of action, including hiring an environmental engineering firm and the implementation of best management practices.

Representatives from the Environmental Protection Agency, Region 9; the Department of Toxic Substance Control; and the Los Angeles County Department of Public Health will participate in the study session to answer board members' questions and explain their respective roles in the district's next steps.

Please let me know if you will be available to attend. Thank you!

Thank You,
Sarah Wahrenbrock
